Eighth Annual Meet and Greet

The Eighth Annual Meet and Greet was held on January 26, 2019 at Dave and Busters this year. The 2019 Board of Directors and officers were introduced. There were some new faces along with those who have volunteered for years. Members and officers from the past year were acknowledged and thanked for volunteering.

We remembered the Fallen Bikers with a moment of silence. Thank you, Valley ABATE for their donation to the Meet and Greet.

The Gathering at the Bike Blessing will be May 4th this year. Ed Rutledge spoke about the planning meetings and where we are at regarding permits for the Park Strip.

Thank you to our business members who have supported ABATE throughout the year. One business really stood out. Team CC was awarded the 2018 Business Member of the Year plaque.

ABATE of Alaska is changing to a statewide organization with chapters to better serve the State of Alaska and advocate for all riders. Far North ABATE has started. If you have time and are in the Fairbanks area look them up.

The 2018 Warren Garrison Award winner was Dan "Spider" Schneider. He has been a tremendous volunteer; serving on the board as well as being at many events. Congratulations.

We will be holding our 2019 General Membership meetings at Guido's Pizza on International Airport Road. The meetings are the third Thursday of the month beginning at 7:00 pm.

Thank you to all who attended the event.

Far North Chapter Chili-Cook Off

A.B.A.T.E. of Alaska Far North Chapter successfully held their first event, a Chili-Cookoff on Sunday, February 10th at the SPUR in downtown Fairbanks.

Jori, owner of the SPUR (Thank you Jori!) donated the use of her facility at no charge, provided free soda and even entered the Chili-Cookoff. Lea, of the Christian Motorcycle Association, won both the People's Choice Award and the Judges Choice Award (thanks to our 4 judges - Rocky Barnette, David Decris-

to, Dave Fulton, and David Rockwell).

The recently opened Costco made a generous donation that we used as one of the prizes. We had a great turnout by our Chapter members and the local motorcycle clubs and organizations. We also had three new members join our Chapter. A big welcome to Sharon, Roger, and Flo. A great time was had by all! Standby for our next event to be announced soon.

Join us for our monthly meetings the 1st Tuesday of each month at the Badger Den, 1447 Old Badger Road in North Pole. Hope to see ya' there.

2018 Business Member of the Year

Our 2018 business Member of the year award goes to Team CC.

Team CC was instrumental in helping out ABATE of Alaska with the 3-wheel training for the rider coaches. They were gracious enough to donate the use of a 2018, Can Am, F3 Spyder, for the coaches to use during their training. Team CC has helped in promoting motorcycle safety as a partner with ABATE.

Korey Cronquist and Barbara Harris-Cronquist
Owners Team CC

They believe motorcycle safety training is paramount for riders to improve their skills that can make them better motorcyclist.

If out at the Valley store stop by and congratulate Team CC owners Korey Cronquist, and Barbara Harris-Cronquist on winning this award. Also thank them for believing in ABATE of Alaska's missions and helping push it forward.

Killing Winter Blues @ the General Membership Meeting

It's that time of year when motorcyclist are constantly looking at the calendar while counting down the days, we can twist the throttle again. We all have different ways of getting through the winter blues while waiting for the ice and snow to melt for riding our two wheeled motorcycles (three wheeled winter riders excluded).

One way to beat those winter blues is to attend an ABATE of Alaska general membership meeting. Membership meetings have a Spotlight Business segment which is hosted by different ABATE business members. This is an opportunity for our business members to get in front of the membership. Businesses use this time to talk about their business, new products to their shop, promotions, sales, and take questions from the membership.

Membership meetings are held on the third Thursday of each month except January and December. Meetings are held at 7:00 PM located at Guido's, 549 W. International Airport Road. Currently there are six meetings out of ten scheduled with a spotlight business. See schedule for meeting dates, business member, and months with openings.

2019 Eagle River Triathlon Road Guarding

ABATE of Alaska is supporting the Eagle River Triathlon again this year by providing motorcycle road guards along their bicycle course on Sunday, June 2, 2019! This is yet another way your State Motorcycle Rights organization helps give back to the community by partnering with the Eagle River Triathlon.

In return, the Eagle River Triathlon supports ABATE of Alaska by donating to Christmas in July each year. For this event, ABATE of Alaska members help keep the competitors in the bicycle riding leg of the event on course and provide other

help and encouragement that the racers may need. (Read more about the triathlon at: <http://www.eaglerivertri.com/>)

ABATE of Alaska is calling out to its members to help out!

It would be great to have about two dozen volunteers to help out on race day from 7:30 AM (0730) to about 3:00 PM (1500). This will require motorcycle riders to provide assistance along the bike course., but we are also able to use people in cars at several locations.

If you are willing to help out, please arrive with your motorcycle at McDonald's in Eagle River between 0630 and 0700 for coffee and assemble to ride as a collective group to Chugiak High School to arrive at 0730. Once we are assembled at Chugiak High School, we'll each get our location assignments for the day. Some riders will be roaming the course while others will be manning specific locations.

Please arrive dressed for the weather with a full tank of gas, and enough water and snacks for the day. We will be manning the course for about 7 hours, so if more people show up, we may be able to take more frequent breaks as well as help each other share in the fun!

What is the Three Angels Memorial Track?

On July 10, 2018 we finished setting up the three benches at the Three Angels Memorial Track in honor of Elaine Loew and Jim and Sabrina Carlyle who tragically lost their lives while riding their motorcycles on May 3, 2014.

The benches were set up for people to be able to sit and reflect on the lives of not only Elaine, Jim and Sabrina, but on all of our fellow motorcyclists that have left us too soon. However they were also set up so we could remember why we continue to ride even in light of these terrible losses. Among these are of course the love the open road, the wind in our faces, truly feeling a part of our surroundings and of course the fellowship with our fellow riders. But I also believe we continue to ride because those that are no longer with us would want us too. They understood the feeling of pure joy and freedom that riding motorcycles bring. And while they now ride among the clouds and the stars I believe they would want us to continue to feel that joy and freedom during our time on earth.

So to my fellow riders I want to say please ride safe and remember you have an Angel looking down on you and smiling with approval. I know I have at least three. Ride safe, ride free and ride in the memory of those that are no longer here to share the roads with us.

Peace on the road

Senate Profiling Resolution

The Motorcycle Riders Foundation (MRF) is proud to announce that the Motorcycle Profiling Resolution (S. Res. 154) passed the U.S. Senate with unanimous consent on Tuesday evening, December 11, 2018. Over the past few weeks, the MRF had many productive meetings on Capitol Hill to further our objective of promoting awareness of unfair profiling of motorcyclists across the country. Our resolution's co-sponsor, Senator Ron Johnson (R-WI), has played an integral role in ensuring that the issues of motorcyclists in this country were addressed in the U.S. Senate.

MRF President Kirk "Hardtail" Willard said upon learning of the adoption of the resolution, "Passage Senate Resolution 154 has been the Motorcycle Riders Foundation's number one legislative initiative in this current Congress. This act today by the Senate is very important, as it recognizes that the profiling of motorcyclists because of our mode of transportation choice of attire is unacceptable. The personal relationships, the tens of thousands of contacts, the visits, and the highlighting of this issue as a top priority during the MRF's Bikers Inside the Beltway speaks highly of our passion on this issue and demonstrates our ability as grassroots lobbyists to be effective on Capitol Hill." Willard went on to say, "It is important to note that this cause united the Motorcycle Riders Foundation, our state motorcyclists' rights organizations (SMROs), the National Council of Clubs (NCOC), the National Coalition of Motorcyclists (NCOM) and the Motorcycle Profiling Project (MPP), all of which brought even greater attention to this critical issue. The Motorcycle Riders Foundation would like to thank our 2018 MRF Legislative Champion, Senator Ron Johnson, and his staff for the significant efforts they put into passing S. Res. 154."

ABATE of Alaska
<https://abateofalaska.com/>

As you know, the MRF, along with the SMROs, the motorcycle club community, and with individual riders across this country have been advocating for a national solution to address motorcycle profiling. With the help of our champions on Capitol Hill, we have been able to advance our bipartisan and bicameral resolutions concerning the profiling of motorcyclists. Russell Radke, MRF Sustaining Member Motorcycle Club Representative, said, "We are now one step closer to ending the attacks on our civil liberties from unconstitutional motorcyclist profiling." The MRF is encouraged that we have begun to address the concerns of the motorcycling community, but we still have more work to do on this issue. We encourage the U.S. House of Representatives to join its colleagues in the U.S. Senate and pass H. Res 318.

ABATE of Alaska is a nonprofit organization dedicated to preserving the rights and promoting the safe riding practices of Alaskan motorcycle enthusiasts.

ABATE of Alaska is a freedom of choice organization. We embrace the maxim "Let Those Who Ride Decide." We believe that the rider is best able to decide the type of motorcycle to ride, and the type and extent of safety gear worn. Our objectives include monitoring motorcycle related legislation locally and nationally; offering affordable rider safety courses as prescribed by the Motorcycle Safety Foundation; and demonstrating our commitment to civic affairs through charitable measures.

ABATE of Alaska offers activities and the brotherhood of fellow motorcyclists. We stand for the rights of ALL motorcyclists to ensure that we and our children will be able to enjoy the freedoms we hold so dear. Membership is open to everyone interested in preserving personal freedoms.
